

I wrote  
a book about  
you

I wrote  
a book about  
**you**

Dear Yichong Wang,

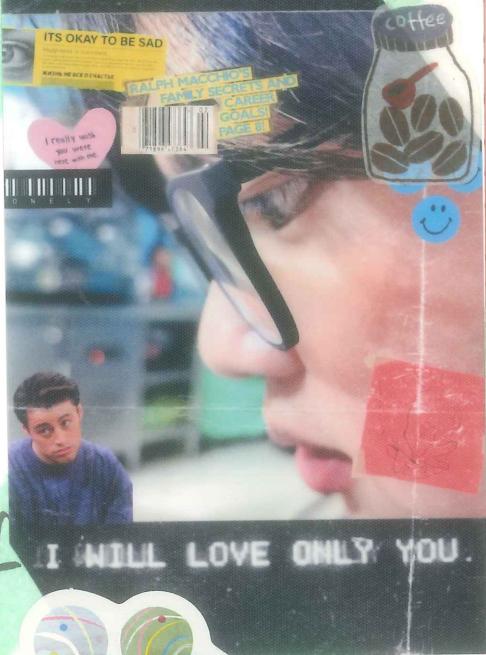

I wrote a book about you. But you helped. A LOT. Because you're you. (Which means I obviously had some great material to work with.) So it was easy to come up with lots to say about the incredible person you are, the wonderful things you do, and all the ways you are completely, ridiculously, perfectly unlike anyone else.

And you know what? It turned out to be a pretty good book. (And not just because I wrote it.) It's good because you're you. And because that (in my book) is pretty much the best.

Yours,

Tongling Jiang

I've put some  
thought  
INTO this and  
I just wanted to  
TELL YOU THAT,  
*honestly,*

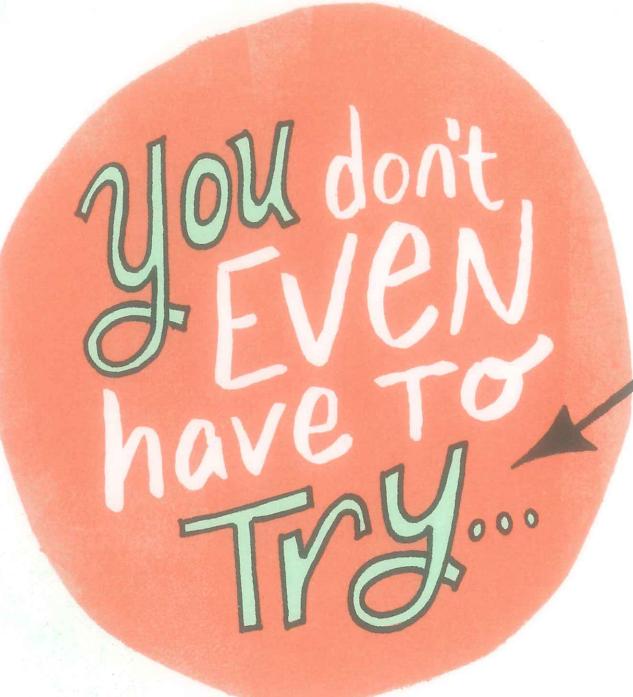

IT'S kind of  
CRAZY how

beautiful and lovely

YOU ARE.

you don't  
EVEN  
have TO  
Try...

You are always  
COMPLETELY and  
effortlessly

making me pay attention  
to you!

I KNOW it doesn't  
qualify as a  
**SUPERPOWER**  
exactly, but...

I think  
YOUR ABILITY TO

enliven  
atmosphere

is PRETTY  
REMARKABLE.

THERE ARE  
a few things  
about you that  
*I know*  
for sure.

If You were an ANIMAL, You'd Be:

A cat or a dog

And if You were a COLOR, You'd Be:

Red or orange

If You were a Soup, You'd Be:

Borsch.

(Since you like it)

And if You were a SUPERHERO,  
You'd Be:

You yourself

Cuz you're my hero.

Here's a little  
CELEBRATION  
of one of my  
FAVORITE  
things ABOUT YOU,

which is  
(of course)  
*your*

patience

One of the  
Very most  
wonderful

things about having  
you in my life is  
getting to see you

Running to me!

WHEN I TALK  
about you to people  
you've never met,  
**I DESCRIBE**  
**YOU AS:**

*ABSOLUTELY,  
completely  
tall & silly*

In my  
dream world  
there's a **VACATION**  
I get to take you on, and it  
**LOOKS LIKE THIS**

I've packed a bag of your favorite snacks, like potato chips and soda drinks. Here's where we're going: the seaside. While we are there, we'll stay in the beach, with a view of blue waves. We'll spend our time enjoying the sun, swimming, and drinking.

One thing in our  
► PRESENT ◄  
I hope we get to  
**HAVE FOREVER**

**PASSION**

eeeeeeeeeee

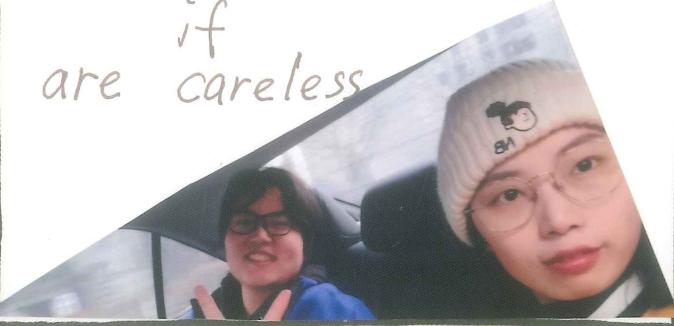

One thing in our  
►FUTURE►  
I can't wait to  
**MAKE HAPPEN**

Having  
our first  
**Polaroid!**

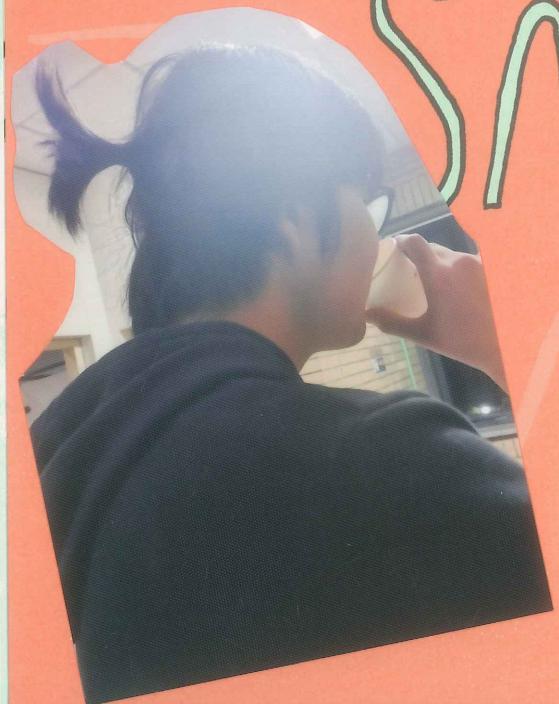

Whether or not  
You always  
let yourself  
BELIEVE it,

You're **REALLY**  
incredibly  
reassuring.

Even sometimes you  
if  
are careless

You know  
what never fails  
to make me  
smile?

Thinking about  
that time we

rehearsed the  
play about Weixue

I was always

surprised by  
your performance.

If I created a sandwich for you,  
here's what would be on it:

Onions. Bacon. Romaine lettuce.

Thousand Island Dressing.

If I made you a T-shirt, this is  
what it would say:

I AM NO ONE.

→ NO ONE CAN SAVE THE WORLD.

If I had to sing a karaoke song  
for you (and you alone), it would be:

暗号 BY Jay Chou

And if I could  
give you a  
**TROPHY,**  
IT WOULD  
BE FOR

THE BEST  
BOYFRIEND EVER!

I, for one,  
am really  
**Grateful**  
that you

**trust us**

so much.

(Truly. Thank you.)

After doing  
**extensive**  
**research,**  
I'm almost  
**100%.**  
certain  
of this:

*you're probably  
THE MOST*

中二

PERSON I KNOW.

I won't tell anyone,  
But I happen to KNOW  
that you are secretly  
= powered by a =  
COMBiNAtiON Of:

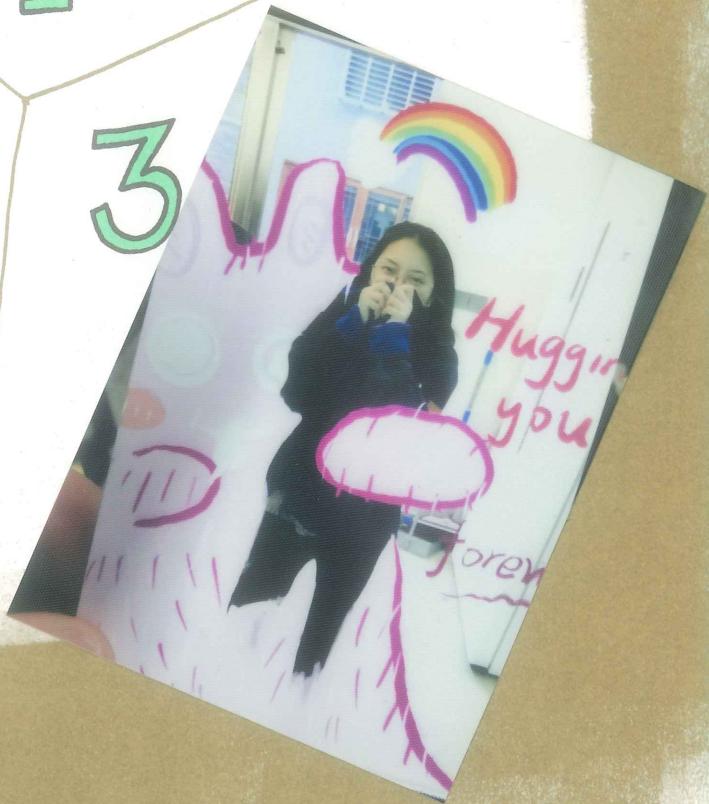

curiosity

1

2

3

interest

*you  
know  
what?*

You are the only person I know  
who can do this:

Speak fast in every  
presentation or speech.

You are the only person I know  
who likes this:

Lying in my arms

And you are definitely the only  
person I know who can get away with:

Playing no jokes on  
something

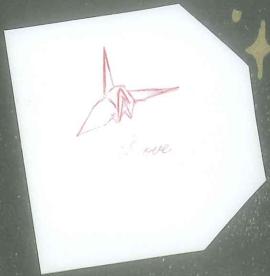

No matter  
how MANY  
**MILLIONS**  
of people  
there ARE in the  
**WORLD**,  
I'm CERTAIN  
OF THIS:

*no one will  
EVER be able to  
duplicate your*

*EVERYTHING!*

I THINK it would be  
ABSOLUTELY  
imPOSSIBLE  
*for anyone*  
who's known you  
for any time at all  
Not To Notice...

You're  
UTTERLY  
EXCEPTIONAL at:

digging deeply on  
anything you're  
interested in and  
getting fantastic  
results

I am  
completely  
crazy  
about  
you.

Which is why you're  
even cute when you:  
*eat, sleep,  
talk ....*

If TIME travel  
technology ever  
gets *really* good,  
there are so MANY  
MOMENTS and  
places we should  
GO BACK TO.

I think some of the first things  
we'd have to Relive would be...

The day we:

went skiing

The time we:  
visited ~~the~~

Nanjing Museum

and when we:

ate all kinds of food!

*As far as I know,  
you've NEVER TRIED IT, BUT...*

I Bet  
you'd  
BE  
a

=WORLD-CLASS=

GOOD  
HUSBAND

If I had the   
**POWER** to  
rearrange  
the WORLD just  
a little bit,  
= I would:

Make sure you got to spend  
much **MORE TIME**

building up incredible  
memories with me.

AND

much **Less Time**  
focusing on things that  
make you upset.

You do so much  
Good in so many  
ways, ALL day.  
EVERY DAY, But  
if I had to pick just  
ONE THING, I'd say:

BEING WARM  
AND POSITIVE  
= IS YOUR =  
GREATEST GIFT  
to the world.

So. I THINK you  
should know that  
Sometimes, there are moments  
when I'm COMPLETELY  
BOWLED OVER by  
how much I love  
having you  
in my LIFE.

Here's one. We were HERE:

On our way back, with  
our hands tied.

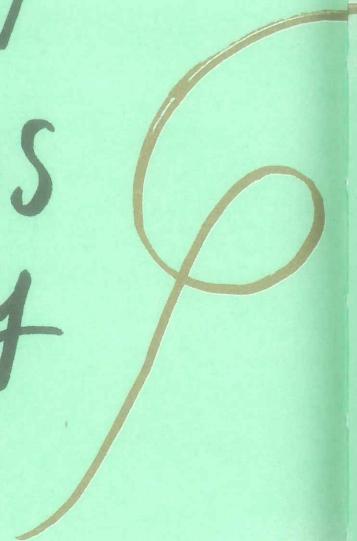

And this was happening:

You were telling me about  
some knowledge I've never  
heard of, excitedly.

And I found myself thinking:

God, I love this boy!

HAVING YOU IN  
my life has  
absolutely  
Made Me:

→ MORE

happy & confident

And less depressed & sensitive

and just become a little girl

with inner softness in general.

I PROBABLY don't  
TELL You this  
enough, but the  
**ONE THING**  
I want you to  
ALWAYS, always  
know is:

IT IS MY PERFECTEASURE  
TO HAVE YOU IN MY LIFE.  
IT MAY TOOK A LOT OF LUCK  
OF MINE, BUT I AM

WORTH IT.

I wrote a book about you.  
(No, really. I did. You're holding it.)

I filled it out with all my thoughts  
on what makes you so YOU.  
Because you're wonderful.  
And I wanted you to know.
